

GH/PRH Population Support to PVOs

- CSH Grants
- through mission bilaterals
- funding CAs to support PVOs
(including M&E and lessons learned)

Family Planning Components in CSH Grants

- significant family planning component
- most likely to be funded under "Expanded Impact"
- compliance with Guidance on Use of Pop Funds
- standard provisions, including Tiahrt & MCP

What we are looking for:

- focus on FP/RH
- expands access & quality of service
- fills niche in a USAID country program
- uses best practices and cross-program learning
- develops local capacity and sustainability
- provides for program scale-up
- includes a strategy for contraceptive supply
- enables tracking of program impact
